**COASTAL USE AUTHORIZATION/CONSISTENCY DETERMINATION**

- C.U.P No.:** P20220075 (Amended, Amended)
- NAME :** BOARD OF COMMISSIONERS OF THE PORT OF NEW ORLEANS  
EVANS-GRAVES ENGINEERS, INC.  
909 POYDRAS STREET SUITE 3050  
NEW ORLEANS, LA 70112  
Attn: Lee Walker
- LOCATION:** Saint Bernard Parish, LA  
Lat. 29° 53' 28.45"N, Long. -89° 53' 29.83"W (see plats for additional project coordinates); Mississippi River; Section 8, 9 & 10, T13S-R13E; St. Bernard Highway, Violet.
- DESCRIPTION:** Proposed geotechnical exploration borings and CPTs for the future Louisiana International Terminal. Approximately 11 cy of material will be excavated and hauled offsite and 11 cy of grout will be placed onsite.
- AMENDMENT 1:** In addition to previously permitted geotechnical borings, the Port is proposing to conduct two surcharge test plots. Approx. 24,020 cy of clay and/or sand fill will be required.
- AMENDMENT 2:** Drawings updated to change access routes to be cleared. Previously permitted access route "Judge Perez-1" will not be cleared. An additional path between E. St. Bernard Highway and the proposed surcharge test sites is now proposed for clearing.

**This amended, amended determination supersedes the original determination issued on March 16, 2022.**

Pursuant to the State and Local Coastal Resources Management Act of 1978, as amended (La. R.S. 49:214.34.A), a portion of the proposed activity is exempt and a Coastal Use Permit is not required. Pursuant to the Louisiana Administrative Code, Title 43, §723.B.8.b, you are hereby notified that the remainder of the referenced activity (borings in river) has been determined to have no direct and significant impact (NDSI) on coastal waters and a Coastal Use Permit is not required.

This amended, amended determination is valid for two (2) years from the date of the signature of the Secretary or his designee on the original determination which was March 16, 2022. If the proposed activity is not initiated within this two year period, this amended, amended determination will expire and the applicant will be required to submit a new application. The applicant will notify the Office of Coastal Management of the date on which initiation of the proposed activity began by entering a commencement date through the online system, or by mailing said information to OCM.

This amended, amended determination has been made based on the information provided in your application showing that either no dredging or limited dredging would be necessary to access to the work site. Dredging beyond that described in your application, including prop washing, wheel washing, or otherwise displacing water bottom material is not authorized by this determination. If site conditions are such that dredging beyond that authorized is necessary, a revised determination including agency or public notice if applicable, will be required.

This amended, amended determination has been made on the basis of information provided by your application. If it is later established that you furnished erroneous data, you may be directed to alter or modify your plans, to remove structures you have installed, and/or to restore the work area to pre-project conditions at your own expense. If it is established that you knowingly furnished erroneous data, you could also be subject to legal action.

Permittee shall, prior to commencement of the herein permitted activities, contact Lake Borgne Basin Levee District, Attn: Mr. Chris Humphreys Address: 6920 Franklin Ave. New Orleans, LA 70122 permit@floodauthority.org to determine if a construction permit will be required from the local levee district. This determination does not eliminate the need to obtain a permit from the United States Army, Corps of Engineers or any other Federal, state or local approval that may be required by law. The drawings submitted with your referenced application are attached hereto and made a part of the record. If you have any questions regarding this authorization, please contact our office (225) 342-7591 or (800) 267-4019.

\*\*\*\*\* End of Determination \*\*\*\*\*

By accepting this amended, amended determination the applicant agrees to its terms and conditions.

I affix my signature and issue this amended, amended determination this 19th day of December, 2023.

DEPARTMENT OF NATURAL RESOURCES

---

Kyle F. Balkum, Administrator  
Office of Coastal Management

This agreement becomes binding when signed by the Administrator of the Office of Coastal Management Permits/Mitigation Division, Department of Natural Resources.
